

Marc Monteson Promotions presents
20TH Anniversary New Smyrna Beach

JAZZ FESTIVAL

May 20-22, 2022

City of New Smyrna Beach

May 16, 2022

Greetings!

On behalf of the City of New Smyrna Beach and the City Commission, I would like to welcome you to the 20th Anniversary of the New Smyrna Beach Jazz Festival.

Jazz, an integral part of American culture, is our gift to the world. Our Festival gives residents and visitors the gift of hearing this fantastic music performed by accomplished musicians and singers in outdoor and indoor settings.

I want to extend a special thanks to producer Marc Monteson, who once again has put together a stellar program of entertainers and venues.

Because of the generous support from business and individual sponsors in our community, Festival events are free. This is one of many examples how New Smyrna Beach supports the arts.

Special thanks to Marine Discovery Center and their amphitheater for partnering with the festival, bringing back the US Navy Band. I hope you take time during the Festival to enjoy all the music, art and history our city has to offer.

Once again, welcome to the NSB Jazz Festival. We are delighted you have chosen to spend all or part of your weekend at this year's event. Here's to another successful Festival of great music!!!

Sincerely,

Russ Owen
Mayor
