# City of New Smyrna Beach

---

September 18, 2017

Greetings!

It is my pleasure to extend a warm welcome on behalf of the City of New Smyrna Beach and the City Commission to all attending and participating in the 17<sup>th</sup> Annual New Smyrna Beach Jazz Festival.

We are so grateful that Hurricane Irma did not do as much damage as projected. Our town and all the venues are ready to welcome you!

In spite of being a small beach town, with miles of beautiful sandy beaches and vast shorelines, the town of New Smyrna Beach is well known as a place where all the arts flourish. And music is no exception!! It is a vital part of the human experience, and the residents and visitors of New Smyrna Beach have proven themselves to be great lovers of music, especially jazz. As we all know, the pursuit of music, whether it be through composing, listening, performing or participating, enhances and enriches all our lives on every level.

I want to extend my thanks to the producer, Marc Monteson, and to all the sponsors and venues that help make this event possible. Their generosity enables the festival to offer free admission Saturday and Sunday.

Best wishes to you and yours for a most enjoyable stay. We encourage you to sit back and relax as you listen to the sounds and enjoy the sights!

Sincerely,

James W. Hathaway  
Mayor
