19TH Annual New Smyrna Beach

# JAZZ FESTIVAL

September 26-29, 2019

# City of New Smyrna Beach

---

September 23, 2019

Greetings!

On behalf of the City of New Smyrna Beach and the City Commission, I would like to welcome you to the 19<sup>th</sup> Annual New Smyrna Beach Jazz Festival.

We are so grateful Hurricane Dorian did not do the damage that was projected. Our town and all the venues are ready to welcome you!

Jazz, an integral part of American culture, is our gift to the world. Our Festival gives residents and visitors the gift of hearing this fantastic music performed by accomplished musicians and singers in intimate indoor and outdoor settings.

I want to extend a special thanks to producer, Marc Monteson, who once again has put together a stellar program of entertainers and venues.

Because of the generous support from business and individual sponsors in our community, Festival events are free except for the kick-off party. This is one of many examples how New Smyrna Beach supports the arts.

This year's Festival has venues in the Flagler Avenue Historic District, the Downtown Historic District, South Atlantic Avenue, the North Causeway and Third Avenue. I hope you take the time to enjoy all the music, art and history these areas have to offer.

Once again, welcome to the Festival. We are delighted you have chosen to spend all or part of your weekend at this year's event. Here's to another successful Festival of great music!!!

Sincerely,

Russ Owen  
Mayor

Thank You
