

22ND New Smyrna Beach

JAZZ FESTIVAL

May 17-19, 2024

City of New Smyrna Beach

May 10, 2024

Greetings!

On behalf of the City of New Smyrna Beach and the City Commission, welcome to the 22nd New Smyrna Beach Jazz Festival.

Jazz Music is an integral part of our American culture and a gift to the world. Our festival gives residents and visitors the joy of hearing fantastic music performed by accomplished musicians and singers in outdoor and indoor settings.

I want to extend a special thanks to New Smyrna Beach's own Musical Ambassador, producer Marc Monteson, who year after year has put together a stellar program of entertainers and venues.

Because of the generous support from business and individual sponsors in our community, festival events are free. This is one of many examples how New Smyrna Beach supports the arts.

Special thanks to the Middle and High School Jazz Combos for participating in this year's festival at an outdoor venue. I hope you take the time to enjoy all the music, art, and history our city has to offer.

Once again, welcome to the festival. We are delighted you have chosen to spend your weekend at this year's event. Here's to another successful festival of great music with family and friends.

With a song in my heart,

Fred E. Cleveland
Mayor

The 2024 New Smyrna Beach Jazz Festival Is Dedicated To

Jaqueline Jones

Miss Jacqueline Jones thrilled audiences worldwide with her vocal prowess, crowd engaging smile, and vivacious jazz renditions.

Over the years, Jackie has received many awards and recognition for her work in the local jazz community. She was a founding member of Monday Night Jazz, which started in 2008. Jackie graciously gave her time in support of the Juvenile Diabetes Association, the Steinway Society and the Disney World Youth Jazz Program, just to name a few, while performing at a variety of venues in Florida and worldwide.

Jackie has left a legacy as a remarkable singer who performed and lived a life dedicated to exemplifying excellence, fortitude, tenacity, and commitment. Before she passed, she was notified that she would be honored and recognized for her work and contribution to the jazz community as an inductee into the Central Florida Jazz Society Hall of Fame!

The New Smyrna Beach Jazz Festival was honored to feature Jackie as a performer at 14 out of the 21 Jazz Festivals. Photo (left, bottom) was taken during her show at the Flagler Tavern during the first year of 2001.

2024 Featured Artist: Beth Haizlip

Beth calls herself a “colorful expressionist artist”. “I use bold colorful strokes that make the painting more interesting and not like you are viewing a photograph.

Encouraged by her parents to draw, paint and appreciate art at a very young age, Beth knew she was destined to become an artist. She was born in Charleston, South Carolina and graduated from Florida Southern College in 1980 with a Bachelor of Arts Degree. Beth married her high school sweetheart, a Navy pilot, and had an adventurous life living in California, Hawaii, Texas and Florida. In 1990 they moved to Orange Park, Florida where she maintains her studio in her home. She sells her work at Atlantic Beaches Arts Market, Florida and Dale’s Gallery in St. Kitts.

Beth loves painting musical themes. She has done several posters including Jacksonville Jazz poster in 2007 using Van Gogh swirls and impressionist style. Florals and tropical scenes were prevalent in Beth’s first art work for the 2016 NSB Jazz Festival that featured one of the cottages on the North Causeway. The original art was won, at auction, by the late Jane Atkinson, a Jazz Fest fan. After Jane’s passing, the family donated the piece to Jazz Fest founder, Marc Monteson, and it hangs in his living room.

This year, Beth masterfully captured a scene from the Inaugural 2001 Jazz Fest. The work entitled “Jazz at the Oceanfront Boardwalk” showcases the site of the main event show during that first year.
